

SOT-23-6 to SIP SMT Adapter

Product Highlights

Immersion Gold Finish
Double Sided
RoHS 3 and REACH Compliant

Specifications

Dimensions:	0.7" x 0.6" x 0.0625"
PCB construction:	FR-4 UL94V-0
PCB operating temperature range:	-40°C to +130°C
PCB reflow maximum temperature:	+260°C

Description

Single-in-line package carrier. Fits SOT-23-6 components. 6 pins (0.1" pitch). This board uses our through-hole male right angle headers, Proto-Advantage part number: HDR100IMP40M-G-RA-TH, which are included.
